Everyone one should live their life on the edge	Eddie Frank living life on the edge
And oh yeah' Eddie he's on his way....hey hey	oh yeah' Eddie is on his way.... ay..yeah
He sings his songs like Frankie Blue eyes	Now Women come and women go
Oh... Yeah... baby, that's just his disguise	Yeah ol' Eddie... He's working the show
He tries to tell you all just where it's at	When Eddie Frank hits the stage
ah huh Eddie he ain't coming back no no	You all stand clear cause it's a rage.. yeah yeah
Eddie Frank living life on the edge	Now Eddie Frank's living life on the edge
Ah oh yeah' Eddie is on his way....ay..yeah	oh yeah' Eddie he's on his way....ay yay
Ah Oh yeah Eddie lived his life underneath	Everyone one should live their life on the edge
in between ...the satin sheets ...oh yeah	And oh yeah' Eddie is on his way....hey hey
He lived a life.. been buffalo'd	He sings his songs like Frankie Blue eyes
Now he's coming out.. about to explode	Oh... Yeah... baby, that's just his disguise
Always thinking of what is best
But now he say's... forget the rest	Now Eddie Franks living life on the edge
